

Kraft Foods Group es una compa a que se cre  en el 1903 y se reinvent  en el 2012, tal como refleja su lema «Made in 1903. Remade in 2012». La nueva Kraft Foods surge como una compa a publica de alimentos y bebidas, luego de que Kraft dividiera el negocio de su cartera de marcas en dos empresas independientes: Kraft Foods Group («grocery») y Mondelez Interational («snacks»).
