Inspired by sporting aesthetics, the Gucci Interlocking GG Webbed Jacket reworks their signature silhouette first debuted in 1951. Crafted from a polyester-blend fabrication, this casual jacket is defined with a sleek block colourway while the brands signature stripped webbing is accented to the upper sleeves with a matching panel down the side for a high-end appeal. Accompanied with a matching striped webbing to the funnel neckline, a full zip closure and zipped pockets complete the look. A towelling interlocking GG motif embroidered to the chest signs off the garment.
