## TRADING TERMS

For new accounts, a signed account form is required to be completed in full, providing at least two trade references. First orders are to be paid on proforma invoice.

### **Sales & Dispatch**

Our starting order amount is \$500, which unlocks discounted pricing.

After this our minimum order amount is \$300. Orders under this amount may be subject to a \$20 packing and handling fee.

Only large items will be considered for drop shipping upon request and may be subject to a \$20 drop ship fee for the extra service.

Providing that a style has not been discontinued, we will add a back order into our system, and it will ship once it has come back into stock. Updates on shipping dates can be provided upon request.

Please let us know if you would like to collect your order. We'll confirm when it's ready for collection.

### **Freight**

All orders are subject to freight charges. Freight is calculated on the dimensional size and weight of the consignment. We use a range of couriers and transport companies to transport our items, and we use the most cost-efficient option for all deliveries.

Freight times vary depending on the size of the items and the location it is being delivered to. We can provide tracking information upon request.

### **Claims**

Please check your delivery as soon as you receive it. We require notification of any damages within 7 days of receiving the order, with photographs and in writing. Claims after this will not be accepted. Please send an email with details of the damage to [sales@capulet.co.nz](mailto:sales@capulet.co.nz).
