### Hat Codes

1. Hats are similar to apparel, start with the design code. i.e. 0352 = WANDER design
2. Follow this by an E for embroidery in the center of the hat, ES for embroidery on the side of the front of the hat, P for patch hats  
0352P = Wander | Patch Hat.  
0352E = Wander (embroidery is implied)
3. Next is the type of cap, CBT = Curved Bill Trucker, BB = Baseball Cap, FBT = Flat Bill Trucker. 0352P-CBT = Wander | Patch Hat | Curved Bill Trucker
4. Last for hats is Color Code, i.e.  
0352E-CBT-BLK = Wander | Curved Bill Trucker Black

### Quick Tips on placing your custom orders and reading our Item numbers:

1. Each Item number starts with a custom code that describes the design. i.e. LS22 = Sun Horizon Design
2. For items with a NAME-DROP, follow the Style Code with the letter "N". (LS22 = Sun Horizon Design name-dropped)
3. Next comes a code for Men's or Women's (if the item comes standard than this letter is not necessary). LS22N-M (Sun Horizon Name-drop Men's)
4. Color Code is next. i.e. HGR = Heather Green. So, LS22N-M-HGR (Sun Horizon, Name Drop, Men's Heather Green)
5. Base Apparel, such as Tee Shirt, Baseball Tee, Hoodie, Zip, Windbreaker etc. i.e. LS22N-M-HGR-TEE. (Sun Horizon | Name-drop | Men's Heather Green Tee)
6. Finally, add the size to the end. (Most items come in XS, SM, MD, LG, XL, XXL).

LS22N-M-HGR-TEE-SM = Sun Horizon | Name-drop | Men's Heather Green Tee Small
