38	Jesus: Bible Truth for Children	<p>"Please tell us the story again of Jesus' death on the cross." This most requested story in Ms. Ruth's classroom became the book God inspired her to write and have illustrated for the hole in the soul of every child on this planet. It is Biblically sound with the overriding themes of the origin of evil, the conflict between God and Satan and the eternal hope that Jesus' death has given to all mankind. Kim Merritt carefully illustrated the passion of Christ for children.</p> <p>The body of this book contains 114 pages (57 two-page spreads) of beautiful life-like illustrations, not cartoons, depicting first the friendship of Jesus with Mary, Martha, Lazarus, and the disciples and then Lazarus' resurrection. The second story shows Christ being abandoned by all of His disciples and contrasts the true repentance of Peter versus just feeling guilty, which leads into Christ's crucifixion (third story) and the conflict of good and evil and ultimately Jesus' power over sin and death (fourth story). The truth of this book is for all ages. God loves us and is coming back for His children! It's our choice to be His children. Scripture references and teaching pages are included in the back for further study for the seeking minds of children and adults alike.</p> <p>The book is written in language young children can understand, but even adults can get a clearer understanding of Biblical truth in this eternal story. This keepsake will be cherished by all those who read and listen for generations to come—if time shall last.</p>	29.99

Search for Paradise - The Most Famous Mutiny in

British Naval History

Loaded with weapons, the mutineers headed to the forward ladderway and started up it. But, looking down, Hayward saw their guns and, in awed terror, demanded to know what was happening. He was told the captain had commanded the men to exercise at dawn.

Not believing the yarn, Hayward started aft toward Bligh's compartment to awaken him. Not far off, William McCoy, tattooed and scarred from knife fights, had been loading his musket on deck. Immediately he banged it heavily three times on the deck - to warn his companions below to get up on the deck quick!

Just then, Christian emerged from the hatchway, carrying a musket with a fixed bayonet and an ammunition box in his left hand and a cutlass and pistol in his right.

...With the men behind him watching Hayward, Fletcher now slowly descended the aft ladderway.

Complete story of the mutiny on the *Bounty* and the journey to and settlement on Pitcairn Island.

Jesus: Bible Truth for Children

"Please tell us the story again of Jesus' death on the cross." This most requested story in Ms. Ruth's classroom became the book God inspired her to write and have illustrated for the hole in the soul of every child on this planet. It is Biblically sound with the overriding themes of the origin of evil, the conflict between God and Satan and the eternal hope that Jesus' death has given to all mankind. Kim Merritt carefully illustrated the passion of Christ for children.

The body of this book contains 114 pages (57 two-page spreads) of beautiful life-like illustrations, not cartoons, depicting first the friendship of Jesus with Mary, Martha, Lazarus, and the disciples and then Lazarus' resurrection. The second story shows Christ being abandoned by all of His disciples and contrasts the true repentance of Peter versus just feeling guilty, which leads into Christ's crucifixion (third story) and the conflict of good and evil and ultimately Jesus' power over sin and death (fourth story). The truth of this book is for all ages. God loves us and is coming back for His children! It's our choice to be His children. Scripture references and teaching pages are included in the back for further study for the seeking minds of children and

The Hot Topic of Hell

1.25

by Steve Wohlberg

Hell—Bible writers wrote about it; preachers preach about it; people talk about it. Is it a real place? Or is it something of myth? Does it burn continually?

One thing though—it's a hot topic no matter what way you look at it.

Throughout these brief 32 pages, you'll find an in-depth discussion of what "hell" really is and what the Bible has to say about it conclusively. You'll find that the Bible holds three different meanings of hell. You'll learn what is meant by the "everlasting fire" of Matthew 25:41 really means. You'll learn what is meant by the phrase "tormented day and night forever" in Revelation 20:10.

Yet again we have a topic where we have the belief of the majority of Christians, and then we have what the Bible says. We do serve a just God, and He will ultimately cleanse this earth of all darkness and evil.

We need not fear, however, because the same heavenly Father who loves and cares for us so much that He provided us with an avenue to spend eternity with Him. We just need to accept His loving gift.
