AMERICAS

Lee Kum Kee is a leading producer of high-quality Asian sauces. As the company that invented oyster flavored sauce in 1888, we have a vibrant heritage of innovation and excellence.

Lee Kum Kee produces more than 200 choices of sauces and condiments, including oyster flavored sauces, soy sauces, chili sauces, as well as other gourmet sauces and products, with distribution to more than 100 countries and regions.

XINHUI

Production Base in China

Lee Kum Kee uses traditional Chinese techniques and modern technology to produce award-winning sauces and condiments. Lee Kum Kee's 14-million-square-foot plant is well-equipped with advanced technologies, allowing us to carefully monitor every step of the production process — from the selection of high-quality ingredients to production and final packaging — to ensure freshness and flavor.

Lee Kum Kee's production lines are monitored by the HACCP Food Safety System and the GMP Inspection System. In 2011, 2017 and 2023, Lee Kum Kee passed the on-site audit by the US Food and Drug Administration (FDA) without any defect in recognition of its high standards in quality and safety.

Our Sustainable Development Approach

We believe in our core value “Si Li Ji Ren” (Considering Others’ Interests) and strive to bring positive value for our stakeholders as well as the external environment we thrive in. With the corporate governance as the foundation, we implement the sustainability approach through the following four pillars including Product Integrity, Environmental Protection, Caring for Employees and Caring for the Community. The four pillars of our sustainability approach support the United Nations Sustainable Development Goals.
