Member: \$215.99 Regular: \$269.99

Ignite children's imaginations in group collaborative play with this stunning open ended small world set. Children can use the 3 islands (45 x 45 cm) individually or link them together by bridges or the boat. Each island has a chalk friendly surface to allow children to draw on their own creations such as railways, roads, ponds, shops and destinations. Enough pieces to easily fill 3 islands, allowing Story Island to be split into 3 groups of children.
