Our Lil Premier self-contained, portable, hot water, hand washing sink is lil itself, but certainly not lacking the big expectation of keeping everyone safe from germs and bacteria. Compact and easily movable, this out-of-the-box ready hand washing station makes point-of-contact hand washing as simple as 1, 2, 3. The 5-gallon, quick-connect fresh water tank, stored inside the maple, locking cabinets, has just as much endurance as those tiny humans.

Our Premier Black self-contained, portable, hot water, hand washing sink is redefining what it means to be that model citizen. A one-piece, integrated ABS black countertop, Splashguard, and single sink basin with top-fill soap dispenser is all you'll need for point-of-contact hand washing. Your quick-connect tanks are locked away behind black woodgrain cabinets, allowing for hot water peace of mind specific to your work environment.
