

WOLF IN THE WOODS

If you are interested in any of my items, contact me via email. Many of my items can be made in larger quantities. I also do custom orders.

All finished products are made in the U.S.A.

Expect minor imperfections and variations due to the nature of handmade products.

Colors will vary due to different shades of stain used, woods, lighting and computer-monitor settings. All sizes and dimensions are approximate.

I ship to U.S.A.
